TRANSITIONING TO TERTIARY STUDY

Regardless of whether you are undertaking tertiary study for the first time, gaining further education, up-skilling, or re-training in a different field, moving into tertiary study is a big step and many students can find the transition difficult. To make the most of a tertiary education experience, speak with student administration staff at your [approved VET provider](#) (VET provider) for all enrolment-related matters and to inform yourself of all the support services available to you.

Top tips for transitioning to tertiary study and HELP loans

1) Get a TFN early!

- If you want to use a [VET FEE-HELP](#) loan to pay for your study, you must submit your valid TFN (or valid *Certificate of Application for a TFN*) by the [census date](#) – otherwise, you will not be able to use the loan for that study period.
- If you do not have a TFN yet because you do not have a job, you must apply to the ATO for one. See **section 2.1**.

2) Be aware of your obligations.

- Find out your census date(s). Census dates are critical to requesting a VET FEE-HELP loan/withdrawing your enrolment without incurring a financial debt for the unit (or academic penalty). See **section 2.3**.
- Find out your VET provider's policy for contacting students. If its [policy](#) is to contact you by an in-house email system (e.g. a student email account), it is your responsibility to check your email on a regular basis, either on campus or at your local public library. If you cannot access a VET FEE-HELP loan/withdraw your enrolment because you missed the census date, claiming you did not have access to email or being unaware that you had to check your email are not acceptable excuses.
- Find out your [VET provider's](#) academic probation

policy. If you are not progressing satisfactorily in your course, your VET provider may choose to cancel your enrolment, regardless of whether you incurred a VET FEE-HELP debt/made an upfront payment for that study.

3) You are responsible for your own education.

- Due to privacy requirements, VET providers cannot disclose information to your spouse, parents, or anyone else about your payment details, HELP loan, attendance or other personal matters.
- If you remain enrolled in a unit past the census date but choose not attend any classes or hand in any assignments, your VET provider is not obligated to find out why – and you will be liable to pay the tuition fee/[VET FEE-HELP](#) debt for that unit.

4) Know who to ask for help.

- Your VET provider is your number one source of information for all study-related queries. Student administration staff will be able to assist you with all enrolment and administration matters or will direct you to the appropriate area (refer to the **Contacts section** for other useful contacts).

5) Get involved!

- Most VET providers offer an orientation service for new students, in addition to social events and various clubs. Participating in these events are great ways to learn your way around, meet new people and build a support network.
- If you are studying online or by distance, social media pages, blogs and online discussion groups are excellent avenues for connecting with fellow students.

1. THE VET FEE-HELP LOAN SCHEME

More information about [VET FEE-HELP](#), including the eligibility requirements, is available from the [CSP and HELP Handbook for 2014](#) at www.studyassist.gov.au.

You may be interested to know that:

- If you use a VET FEE-HELP loan, you will not have to make any repayments in the 2013-14 income year unless your income is \$51,309 or above, and
- If there is a direct connection between your work and your study at the time, you may be able to claim your tuition fees as a tax deduction. You must contact the [ATO](#) for more information regarding how to claim self-education expenses, including eligible study and applicable caps on the amount that can be claimed.

1.1 What is VET FEE-HELP?

VET FEE-HELP is a loan scheme that helps eligible VET students pay their tuition fees for certain higher-level VET qualifications (refer to **section 1.2**).

You do not have to use a VET FEE-HELP loan to pay your [tuition fees](#). You can choose to pay all your tuition fees upfront to your [approved VET provider](#) (VET provider), you can pay some of your tuition fees upfront and use a VET FEE-HELP loan for the rest, or you can use a VET FEE-HELP loan for all your tuition fees (up to your FEE-HELP limit).

1.2 Who can use VET FEE-HELP?

Eligible students

VET FEE-HELP is available to eligible VET fee paying/ fee for service students. These students are enrolled in [fee paying places](#) at approved VET providers, and charged tuition fees for their studies. All approved VET providers that can offer VET FEE-HELP loans are listed at www.studyassist.gov.au.

Eligible courses

An eligible student may access VET FEE-HELP for [VET qualifications](#) at the following levels:

- diploma;
- advanced diploma;
- graduate certificate; and
- graduate diploma.

Subsidised VET students

VET FEE-HELP is also available to eligible state or territory [subsidised VET students](#) – who are enrolled with an [approved VET provider](#) in a state or territory that has implemented subsidised VET FEE-HELP arrangements. A subsidised VET student may use VET FEE-HELP to pay their tuition fees for VET qualifications at the following levels:

- diploma or advanced diploma, or
- selected certificate IV qualifications that are part of the VET FEE-HELP Certificate IV Trial.

Introduction of Certificate IV Trial

For a trial period, VET FEE-HELP loans are to be extended to selected certificate IV qualifications in certain states/territories.

You may be eligible to participate in the trial if you meet the VET FEE-HELP citizenship and residency requirements, and you must also be eligible for a subsidised place in one of the specific courses that are part of the trial. This trial does not extend to full fee paying/fee for service students, regardless of whether they are enrolled in one of the eligible courses.

The trial will be progressively rolled out to all states/territories, and run until December 2016. Visit www.studyassist.gov.au for more information regarding the timelines, eligibility requirements, eligible courses and eligible approved VET providers.

1.3 What are the citizenship and residency requirements for VET FEE-HELP?

To access a VET FEE-HELP loan, you must meet the eligibility requirements as specified in section 1.2 and be either an Australian citizen or a permanent humanitarian visa holder who is resident in Australia for the duration of your unit.

Need to check your visa subclass?

The Visa Entitlement Verification Online (VEVO) system is a free, online service that allows visa holders and registered Australian organisations, such as [approved VET providers](#), to check the details and entitlements of a visa. To access the VEVO service, please visit www.immi.gov.au/vevo.

If you are not eligible for VET FEE-HELP, you will need to confirm upfront payment dates and arrangements with your VET provider directly. If you cannot afford to pay your entire tuition fees upfront, you should contact your VET provider as some may offer their own payment options or plans.

1.4 How much can I borrow – what is the FEE-HELP limit?

The [FEE-HELP limit](#) is the maximum amount you can borrow under [VET FEE-HELP](#) (and [FEE-HELP](#)) over your lifetime. The FEE-HELP limit is not reset or topped up by any repayments that you make. If you have reached the FEE-HELP limit (meaning the indexed amount for that year), you are no longer eligible to access a VET FEE-HELP (or FEE-HELP) loan.

In 2014, the FEE-HELP limit is **\$96,000** for most students. If you are studying a medicine, dentistry or veterinary science course that leads to provisional registration to practise in one of those fields, your FEE-HELP limit is **\$120,002**. This limit is indexed on 1 January each year.

1.5 What is the FEE-HELP balance?

The FEE-HELP balance is the available amount of VET FEE-HELP (or FEE-HELP) that you have left to use before you reach the FEE-HELP limit. You are responsible for keeping track of your FEE-HELP balance and for advising your VET provider if you do not have enough left to cover your tuition fees.

1.6 Will I be charged interest?

No. There is no interest charged on VET FEE-HELP loans. However, your HELP debt at the ATO will be indexed on 1 June each year to maintain its real value by adjusting it to reflect changes in the Consumer Price Index. Current and past indexation rates are available from the ATO at www.ato.gov.au.

HELP debts are indexed each year in accordance with the Higher Education Support Act 2003 (the Act). Currently the Act provides for indexation based on changes in the Consumer Price Index. In the 2014-15 Budget, the Government announced its intention to change the way HELP debts are indexed. From 1 June 2016, the Government intends to index HELP debts using the Treasury 10 year bond rate (to a maximum of 6.0 per cent per annum). This change is subject to the passage of legislation.

1.7 Is there a loan fee?

Yes. There is a 20% loan fee which is applied to VET FEE-HELP loans for fee paying/fee for service students. The loan fee does not count towards your FEE-HELP limit. The loan fee is 20% of the tuition fees charged for your units – and it is calculated for each individual unit as you undertake your course. The loan fee is applied to each unit that is paid for with a VET FEE-HELP loan.

For example, if you are undertaking a unit that costs \$1,000, the loan fee is 20% of \$1,000 = \$200. As such, your VET FEE-HELP debt for that unit will be the cost of the unit (\$1,000) + the loan fee (\$200) = \$1,200.

The loan fee is not applied to eligible subsidised VET students studying in a state or territory that has implemented VET FEE-HELP arrangements for subsidised students.

2. APPLYING FOR A VET FEE-HELP LOAN

More information about applying for [VET FEE-HELP](#), including information on enrolling in multiple courses or at different [approved VET providers](#) (VET providers), is available from the [CSP and HELP Handbook for 2014](#) at www.studyassist.gov.au.

2.1 How do I apply for VET FEE-HELP?

To apply for VET FEE-HELP you must submit a valid [Request for VET FEE-HELP assistance](#) form to your VET provider by the [census date](#). If you do not submit the form by the census date for your first unit of study, you will have to wait until the next study period (e.g. the semester or trimester) to request a VET FEE-HELP loan for future study – retrospective access to VET FEE-HELP is not allowed under any circumstances. Many VET providers will allow you to submit a specific electronic version of the form online. Check with the student administration/enrolments office at your VET provider if you are unsure about whether to submit a paper or electronic form.

If you want to use a VET FEE-HELP loan to pay for your study, you must submit your valid [TFN](#), even if you do not have a job. This is because repayments on your HELP debt are made through the Australian taxation system. If you do not provide your own TFN or you provide an incorrect one, your form will not be valid and you will not be able to use a VET FEE-HELP loan for that study period.

If you do not have a TFN, you will need to apply to the [ATO](#) for one. When you do so, the ATO will, on request, supply you with a *Certificate of application for a TFN*. Even before you receive your TFN from the ATO, you can attach your certificate to your *Request for VET FEE-HELP assistance* form as proof that you have applied for a TFN. If your form does not have your TFN or the certificate attached to it, will not be valid and you will not be eligible

for VET FEE-HELP. You must advise your provider of your TFN within 21 days of receiving it.

You must keep your TFN secure. Do not provide your TFN if you are only enquiring about a course. Only provide your TFN or the certificate on the actual [*Request for VET FEE-HELP assistance*](#) form (either paper or electronic) in order to pay your tuition fees for the specific course(s) of study in which you are enrolled.

2.2 What happens if I want to enrol in multiple courses or I want change my course or VET provider?

If you want to enrol in two different courses at the same VET provider, you must submit a separate *Request for VET FEE-HELP assistance* form for each course.

If you change your course or VET provider you will also need to submit a new form for your new course or VET provider.

You will also need to officially withdraw from any units you have enrolled in and do not wish to continue with, by the [census date](#), so that you do not incur a VET FEE-HELP debt. Withdrawal does not happen automatically when you transfer to a new course or VET provider or when you stop attending classes. See **Chapter 4** for information on withdrawing from your studies.

2.3 What is the census date?

The census date is the most important date for you to know about!

The census date is the last day you can:

- submit a *Request for VET FEE-HELP assistance* form to access a VET FEE-HELP loan, or
- withdraw your enrolment without incurring the cost or debt for that unit.

As VET providers set their own census dates (within rules set by the Australian Government), this date will vary across units and VET providers. You must contact your

VET provider to confirm the census date for each unit you enrol in and the exact deadline of the census date (i.e. close of business etc).

What is the administrative date?

In addition to the census date, some VET providers also set an administrative date for you to complete certain requirements before the census date. For example, some may want you to submit your *Request for VET FEE-HELP assistance* form or withdraw your enrolment by the administrative date so they have time to finalise your enrolment.

If you miss the administrative date, you may have to pay a late enrolment fee or a late withdrawal fee. However, you can still withdraw from a unit by the census date to avoid incurring the cost or debt for that unit.

Check with your VET provider to find out if:

- they have an administrative date;
- the census date(s) for your units of study; and
- the exact deadline of the census date (i.e. close of business etc).

2.4 How will I know if my application for VET FEE-HELP is accepted?

You must contact your VET provider directly for assistance. *Request for VET FEE-HELP assistance* forms are processed by VET providers and not the Australian Government.

3. KEEPING TRACK OF YOUR VET FEE-HELP LOAN

More information about keeping track of your VET FEE-HELP loan is available from the *CSP and HELP Handbook for 2014* at www.studyassist.gov.au.

3.1 Your Commonwealth Assistance Notice (CAN)

Your approved VET provider (VET provider) will send you a CAN within 28 days of the census date of each study period that you are using Commonwealth assistance. Your CAN will state how much you have been charged for the units you are enrolled in and the amount of VET FEE-HELP debt you have incurred for that study period.

Check your CAN carefully to make sure that:

- the tuition fees on the CAN are the same as those published on your VET provider's website;
- the loan fee has been calculated correctly (if applicable); and
- the CAN does not include any units you withdrew from by the census date.

If you believe the information on your CAN is incorrect, you have 14 days to submit a written application to your VET provider to request a correction (some VET providers may allow a longer correction period).

3.2 Your Commonwealth Higher Education Student Support Number (CHESSN) and myUniAssist

You will be allocated a CHESSN when you first apply for admission to your VET provider (or Tertiary Admissions Centre for higher education). Your CHESSN is a unique identification number that remains with you during and after your studies. It helps you, your VET provider and the Australian Government keep up to date with information about the Commonwealth assistance for

tertiary study that you have used. Your [CHESSN](#) will also be printed on your [CAN](#).

You can use your CHESSN and other personal identifying details to access *myUniAssist* via www.studyassist.gov.au. *myUniAssist* provides information on how much Commonwealth assistance you have received (but it will not display information related to study undertaken before 2005). You can refer to the FEE-HELP assisted units tab in *myUniAssist* to find out how much [VET FEE-HELP](#) you have used and how much of your [FEE-HELP](#) limit you have left.

myUniAssist is updated with details about your HELP usage as reported by your VET provider. It is important that you understand that your data must be verified to ensure it is correct before your data is uploaded on *myUniAssist* and reported to the [ATO](#). Given the time lag, you may need to add any units you have recently enrolled in/are currently enrolled in (refer to your CAN for the relevant study period) to the information shown on *myUniAssist* to determine your actual entitlements.

myUniAssist will not provide information about the current level of your HELP debt as repayments are made to the ATO and *myUniAssist* is not updated with this information.

3.3 Your HELP account information statement

From 2013, HELP account information statements are no longer automatically sent out. You can phone the ATO at any time during the year to request this statement or to confirm the balance of your account. Be sure to have your [TFN](#) handy when you call. The ATO will ask you for it for security purposes before they disclose any personal information to you.

4. WITHDRAWAL OR NON-COMPLETION OF STUDIES

More information about withdrawal procedures and special circumstances is available from [the CSP and HELP Handbook for 2014](#) at www.studyassist.gov.au. You must also familiarise yourself with the specific withdrawal policy at your [approved VET provider](#) (VET provider).

4.1 What happens if I fail/withdraw from a unit?

If you fail a unit, or withdraw from the unit after the census date, you are still liable to pay the tuition fees of that unit, regardless of whether you attended any classes or handed in any assessment items.

If you used a [VET FEE-HELP](#) loan, you will incur a VET FEE-HELP debt and if you made an upfront payment, you are not eligible for a refund of that payment.

If you **correctly** withdraw from the unit **by the census date**, you will not be liable to pay the cost or incur the debt of that unit. If you have already made an upfront payment of your tuition fees, you will receive a refund from your VET provider.

If you failed the unit or withdrew from the unit after the census date because you became seriously ill or because of other special circumstances, you can apply to your VET provider to have your [FEE-HELP balance](#) re-credited and your HELP debt removed (or upfront payment refunded). Contact your VET provider directly for information on the application process.

4.2 How do I withdraw from a unit?

You need to complete your VET provider's formal withdrawal process for every unit that you want to withdraw from by the census date. If the course you are withdrawing from involves enrolment with more than one

VET provider, you will need to withdraw from each one individually.

Contact your VET provider to ensure you withdraw your enrolment by the census date and in accordance with the required procedures to avoid incurring the cost or debt of the unit.

4.3 Special circumstances

If you withdraw from a unit after the census date because you become seriously ill or for other [special circumstances](#), you can apply to your VET provider to have your [FEE-HELP balance](#) re-credited and your HELP debt removed (or upfront payment refunded). There are no provisions under the [Higher Education Support Act 2003](#) to have your debt removed if you have already successfully completed your unit of study.

However, if you withdrew from a unit after the census date because you changed your mind about studying, you will still be required to repay your HELP debt.

For your VET provider to be satisfied that special circumstances applied to you, you must be able to prove that the circumstances:

- were beyond your control; and
- did not make their full impact on you until on or after the census date; and
- made it impracticable for you to complete your unit(s) of study requirements.

Note: You need to submit your application for special circumstances to your VET provider within 12 months of your withdrawal day. More information about this process and appeal procedures is available from the [CSP and HELP Handbook for 2014](#) at www.studyassist.gov.au.

5. REPAYING YOUR HELP DEBT

More information about HELP repayments, including how the [ATO](#) calculates your compulsory repayment, is available from the [CSP and HELP Handbook for 2014](#) at www.studyassist.gov.au.

5.1 When do I start paying back the loan?

Your VET FEE-HELP debt becomes part of your [accumulated HELP debt](#). The minimum repayment threshold for compulsory repayment is adjusted each year. In the 2013-14 income year, you will be required to make a compulsory repayment if your income is \$51,309 or above. Repayments made through the Australian taxation system are called compulsory repayments and continue until you have repaid your whole debt.

5.2 How much will my repayments be?

The amount you repay each year is calculated as a percentage of your repayment income. The repayment percentage increases as your income increases, but is capped at 8% of your income. The ATO will calculate your compulsory repayment for the year and include it on your income tax notice of assessment.

Table 1: Repayment rates for the 2013-14 income year

2013-2014 Repayment income	Repayment % rate
Below \$51,309	Nil
\$51,309 - \$57,153	4.0%
\$57,154 - \$62,997	4.5%
\$62,998 - \$66,308	5.0%
\$66,309 - \$71,277	5.5%
\$71,278 - \$77,194	6.0%
\$77,195 - \$81,256	6.5%
\$81,257 - \$89,421	7.0%
\$89,422 - \$95,287	7.5%
\$95,288 and above	8.0%

5.3 Can I make a voluntary repayment?

There are several ways you can make a voluntary repayment, including via BPAY and credit card. For more information on making a voluntary repayment, contact the [ATO](#).

At the time this booklet went to print, the Australian Government had announced, but not legislated, changes to the voluntary repayment arrangements (to be in effect from 1 January 2014). Until the relevant legislation is passed, the current arrangements apply.

Current arrangements

Voluntary repayments of \$500 or more receive a 5% bonus. This means your account will be credited with an additional 5% of the value of your repayment, not 5% of your outstanding debt. For example, if you make a voluntary repayment of \$500, the bonus increased the value of your repayment so your account will be credited with \$525.

Proposed arrangements

If the proposed changes were to go through, voluntary repayment of \$500 would no longer be eligible to receive a bonus. For example, if you made a voluntary repayment of \$500, your account would be credited with \$500 only.

5.4 Are repayments tax deductible?

Compulsory repayments are not tax deductible. Voluntary repayments made by you or someone other than your employer are not tax deductible. Your employer may be able to claim a tax deduction for voluntary repayments it makes on your behalf, but it may also be liable for fringe benefits tax on the repayments. For more information, contact the ATO directly.
